## SUMMARY

I'm Vaibhavi Dixit, a B.E. Computer Engineering student at D. Y. Patil Institute of Technology, Pune, with a strong interest in full-stack development and web technologies. I gained practical experience through internships at Yuvajana Samiti and Bodhi Technology. I have worked as freelancer and successfully executed different scale of projects. I want to apply my knowledge to solve real world problems. As a passionate Web Developer I'm continuously learning new technologies.
